N	**PASSAGE 1:** Being helpful is what we know as kindness. Kind people improve the lives of those around them and generally enjoy better health. Studies show that acts of kindness can have positive side effects. It can increase good senses, improve health conditions and feelings. It increases relationships with others. Acts of kindness can make the world a happier place for everyone. Kind people can boost their feelings of control, happiness and responsibility. **They** may also inspire others to repeat the good acts they have experienced in a more positive society. Most of us think of charities as trying to help others, but how do we live without helping others? How do we become donating members of society? Donating food is the best way to help others because it is essential for human beings. Not only do charities benefit from the donations, but you also gain a lot from them. Thousands of people donate to charity to support the people in need and meet their moral needs. ❖ **True/False** **57-** Donators help others who enjoy better health. a) True b) False 58- The world will be a happier place when we are kind. a) True b) False ❖ **Choose the best answer.** **59-** Kind people cannot improve the feeling of ----------. a) happiness b) responsibility c) control d) donation **60-** What does "they" in the fifth line refer to ----------. a) human beings b) happier people c) kind people d) others ❖ **Answer the following questions.** **61-** What is the best way to help others? Why? **62-** Why do people donate to charity?	**4**
O	**PASSAGE 2** The variety of sandwiches available in America can be more than one can ever possibly imagine. Anything and almost everything which can fit between two slices of bread can qualify as a sandwich. The sandwich, however, didn't originate in America. It was introduced in 18th century by the 4th Earl of Sandwich. He ordered that slice of cold beef be placed between pieces of bread and be brought to him. Today, the sandwich is a big part of American diet. Some sandwiches are so large that they can easily be shared by two people. Depending upon where one goes in America, these extra-large sandwiches can take on a different name. In New York they are called "heroes", but in Los Angeles they are known as "submarines". The most popular sandwich, however, is a cheeseburger on roll (a small loaf of bread) made by many fast-food chains. A cheeseburger topped with cheese. **It** is a combination of the words "cheese"	**4**

www.kanoon.ir

	and "hamburger". In fast food restaurants, the cheese that is added to a cheeseburger is typically American cheese, but there are many other variations. ❖ **True / False** **63- The first sandwich was made in America**. a) True b) False **64- According to the passage, in America, you can make a sandwich by just putting some cheese between two slices of bread**. a) True b) False ❖ **Choose the best answer.** **65- Which word has been defined in the passage?** a) roll b) American cheese c) bread d) heros **66- What are the extra-large sandwiches called in Los Angeles?** a) heroes b) submarines c) slices d) roll chains ❖ **Answer the following questions.** **67- The underlined word "It" in the last paragraph refers to** …… **68- How is a cheeseburger typically made?**
